# Limestone Collection

Limestone is a fine-textured natural stone that not only offers a great look but is also a strong paving option, precisely for the UK's environment. It has a velvety and distinctive finish, which makes it a stylish choice that can easily handle all harsh weather conditions seamlessly. Limestone paving stones have versatile and hard-wearing properties and beautiful shades and colors.

Limestone paving's are durable yet beautiful option for landscaping and landscaping projects. This stone paving feels traditional while laid and suits any house style well, creating a stunning patio that remains full of character for a long time. Yellow limestone paving contains a beautiful fusion of cream, honey, yellow, brown, and buff colors, which is great for offering an antique look of the old countryside. Using limestone paving in your outdoor space will provide you with a lasting and strong patio.

# Slate Collection

Slate is a classic natural stone known for its distinct qualities and excellent properties. Slate offers a touch of natural beauty and sophistication to any area with its distinctive texture and rich earthy tones. Its exceptional stain resistance and durability make it an Excellent choice for flooring, kitchen backsplashes, and bathroom surfaces.

Our slate tiles and slabs are carefully selected and handcrafted to highlight the natural differences and distinct character of this wonderful stone. Slate is also known for its versatility since it can be utilized in both indoor and outdoor spaces. Its slip resistant surface makes it a safe and practical alternative for high traffic areas. Furthermore, the inherent variance in color and texture of slate means that each piece is genuinely one of a kind, resulting in a visually captivating atmosphere that will last a lifetime.
