Size: 100X200MM, 100X100MM

Thickness: 35- 50MM

Kandla Grey Cobbles:

Kandla Grey sandstone cobbles are a timeless choice for a classic, durable outdoor surface. Sourced from Indian quarries, this natural stone features a beautiful blend of subtle Grey tones, often with hints of light blue or silver, creating a sophisticated and versatile look. Known for its strength and weather resistance, Kandla Grey is a popular choice for high-traffic areas such as driveways, paths, and courtyards.

Size: 100X200MM, 100X100MM
Thickness: 35- 50MM

**Raj Green
Cobbles:**

A beautiful and versatile choice for any outdoor space, our Raj Green Sandstone Cobbles offer a timeless blend of earthy tones. Each hand-cut stone features a unique mix of subtle greens, gentle browns, and warm greys, creating a rich and inviting tapestry that matures beautifully over time. With a durable, naturally riven, and slip-resistant surface, these cobbles are perfect for creating traditional driveways, charming garden paths, or elegant edgings that withstand the elements and heavy foot traffic. Available in sizes 100×100mm and 100×200mm with a thickness of 35-50mm, they are designed to provide a robust and classic foundation for your landscape design.
