Porcelain Planks

# COUNTY LGY PLANKS

DIMENSIONS: 150X900MM | 20MM

## DETAILS:

County LGY Porcelain Planks are a durable and stylish flooring option that mimics the look of natural wood. Made from high-quality porcelain, these planks are resistant to water, stains, scratches, and fading, making them perfect for high-traffic areas like kitchens, bathrooms, and entryways. Their realistic wood grain and texture add warmth and character to any space, while their low-maintenance nature makes them a practical choice for busy households. Whether you're aiming for a rustic farmhouse feel or a modern minimalist look, County LGY Porcelain Planks offer the perfect blend of beauty and functionality.

# COUNTY ANTHRACITE PLANK

DIMENSIONS: 150X900MM | 20MM

## DETAILS:

County Anthracite Porcelain Planks are a type of flooring tile that mimics the look of dark, charcoal-colored wood. They are made from durable porcelain, which makes them highly resistant to water, stains, scratches, and heavy foot traffic. The planks are designed to be long and narrow, similar to real wood planks, and often feature a textured surface to enhance the natural wood grain appearance. This combination of aesthetic appeal and robust performance makes them a popular choice for both indoor and outdoor applications, including kitchens, bathrooms, patios, and commercial spaces.
